The CSVGC-NY Working Group on the Spiritual History of the United Nations also celebrated the 70th Anniversary of the United Nations and its history in relation to building a world which fosters human dignity for all people. Her speech delineated the 70 years of UN History which shows the presence of spirituality and universal initiatives over the span of those 70 years. Ms Gaughen-Muller was pleased to have the opportunity to promote the spiritual foundations on which the United Nations was conceived and built and honored her late husband, Dr. Robert Muller, former Assistant Secretary General and their 7,500 Ideas and Dreams built around his 40 years of service at the UN (robertmuller.org).

From our President, Barbara Gaughen-Muller:

What an honor to be President of the UNA-USA Santa Barbara & Tri-County Chapter. As the second oldest UNA chapter, we have quite a legacy to carry forward. My hope is that our UNA family grows and becomes the inspiration and active agent for the change we want to see in the world!

I spent 17 years traveling and speaking to many UNA chapters and Rotary Clubs. Last week I was given the honor of a Paul Harris Fellow at the Santa Barbara Rotary club. Nominated by Sig Wathne. I am so honored to be working with Rotary to bring Peace to our world.

"World Peace and Harmony will be possible when we each see the world with global eyes, love the world with a global heart, understand the world with a global mind, and merge with the world through a global spirit as we work together" ~Robert Muller, former Asst. Secretary General to the UN
