President's Message:

What an honor to be President of the UNA-USA Santa Barbara & Tri-County Chapter. As the second oldest UNA chapter, we have quite a legacy to carry forward. My hope is that our UNA family grows and becomes the inspiration and active agent for the change we want to see in the world.

I have always been a supporter of the United Nations, visiting the UN when possible. Little did I know, I would meet and marry former UN Assistant Secretary General, Dr. Robert Muller, whose illustrious career spanned 40 years at the UN. Robert and I spent 17 years together traveling and speaking to many UNA chapters. Together, we wrote and published 7500 Ideas and Dreams for a Better World, which is the basis for our daily email www.goodmorningworld.org.

~Barbara Gaughen Muller

"World Peace and Harmony will be possible when we each see the world with global eyes, love the world with a global heart, understand the world with a global mind, and merge with the world through a global spirit as we work together"

~From 7500 Ideas and Dreams for a Better World, by Robert and Barbara Muller
